Date released	26 th November 2020
Next review date	November 2021

Hurworth Primary School

Primary Sport Premium Funding 2020-2021

What is Primary Sport Premium Funding?

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. Schools with 16 or fewer eligible pupils receive £1,000 per pupil. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport on offer. This means that the premium should be used to:

- Develop or add to the PE and sport activities already on offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

We currently offer a variety of extra-curricular and lunch time clubs, led by our own staff and coaches. In addition, we have strong links with local organisations including Darlington Cricket Club and the Martin Gray Football Academy (MGFA).

In the financial year for 2020-2021 we will receive £18,170 Sports Premium Funding. The table below shows our targets, how the funding will be spent in order to achieve that target and the intended outcome for the children at our school.

We have identified four key areas on which we focus to improve outcomes for the children of our school.

- Engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport and a range of sports and activities offered to all pupils
- Increased participation in competitive sport

Number of Pupils and pupil premium grant (PSPF) received

Number on roll	221
Amount of funding received	£21,959.79 (£18,170 + £3,789.79 carried over from last year)

Regular physical activity

Target	Cost	Summary	Outcome
Children to have the opportunity to access 2+ hours of sports per week.
