PE and Sport Premium 2023-24

Hurworth Primary School

In 2023-24, our school has been allocated **£17,910** for the development of PE and Sport for our children.

We have considered the following guiding principles when putting this plan together and deciding how to allocate the primary school funding:

- Consider the overall PE and sport provision across the school with respect to **all** children.
- Use qualified and suitably trained coaches to improve the quality and range of school sport offered to enrich the curriculum.
- Consider children's wellbeing of transitioning, particularly those in Reception, Year 2 and Year 6.
- Consider how active, engaging and purposeful children's playtimes are.

Key achievements to date until July 2023:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none">• The gold standard in the School Games Mark was achieved for the 5th year running which puts us in the position to achieve the platinum standard next year.• All children in KS1 and KS2 met the expected standard in PE by the end of the summer term.• More interschool competitions were organised, particularly for those in Year 5 and 6. Year 2 and 3 were involved in more interschool competitions this year.• Ex-pupils in Year 7 helped host the annual sports day.• Year 5 children were appointed as playground pals (sports crew) and were effective in delivering purposeful and active playtime activities, especially for those in KS1.• The school counsellor worked with a target groups of KS2 girls, who were struggling with emotions and friendships. Most of the children who had her involvement last year were girls in key stage two. All Year 4 girls were involved in a self-esteem workshop.• A wider range of afterschool clubs were established and the number of attendees were consistently high.• The girls' football team maintained the Champions of Champions title for the second year running. Many other sporting teams had great success winning medals and qualifying for Tees Valley events.• In all sporting events, there was at least one child with SEND representing the school.	<ul style="list-style-type: none">• Achieve platinum standard in the School Games Mark award.• Make playtimes more purposeful, active and engaging for children.• Continue to organise more interschool competition focusing on KS1 and LKS2 children.• Ensure every child has the opportunity to represent Hurworth Primary School at events, competitions and tournaments• Continue to liaise with local secondary school to add more transitional opportunities for Year 6 children.• To increase the number of children passing the end of Year 6 expected standard for swimming.

<ul style="list-style-type: none"> 17/30 children passed the end of key stage two swimming expectations. 7/13 did not pass because they were not secure swimming 25m using breast stroke but were competent with all other strokes. 	
Swimming Reporting: We are not using our PE and Sport Premium to provide additional swimming.	

Our planned spend is based on the '5 Key Indicators' and '2 Key Uses' for improvement as detailed by the DFE in its PE and Sport Premium documentation.

Key Indicators		
Indicator 1: the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school	Indicator 2: the profile of PE and sport is raised across the school as a tool for whole-school improvement	Indicator 3: increased confidence, knowledge and skills of all staff in teaching PE and sport
Indicator 4: broader experience of a range of sports and activities offered to all pupils	Indicator 5: increased participation in competitive sport	

Key Uses	
Key Use 1: develop or add to the PE and sport activities that your school provides	Key Use 2: build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Our planned spend for 2023-24

Planned Use		Key Indicators					Key Uses		Costing	Planned Sustainability Consideration
		Indicator 1	Indicator 2	Indicator 3	Indicator 4	Indicator 5	Key Use 1	Key Use 2		
School Intent	Implementation									
To achieve the platinum standard in the School Games Mark.	The PE lead will ensure that all criteria is met in order to achieve the award.	Y	Y		Y	Y	Y		No additional cost	Hurworth offers the highest standard in the PE curriculum.
To make playtimes more purposeful, active and engaging for children.	PE coach to will deliver active lunchtime activities on the school field/MUGA/playground to engage	Y	Y		Y	Y	Y	Y	£3200	Children are playing safely, purposely and actively with a broader knowledge of sports and games. Playground Assistants are confident in the delivery of their active games

	those children who aren't as active or need to be taught how to play team games. This will be done alongside Playground Assistants so they can deliver effective activities at other playtimes. PE coach will train Playground Assistants. Replenish playtime equipment,									and have a wealth of ideas to use. Equipment can be used for future years.
Interschool competitions are held for children to participate in, especially those in KS1 and LKS2.	Quidditch, badminton tournaments and football matches will be held. Annual sports day allows all children to participate and come together with other year groups.	Y	Y		Y	Y	Y		No additional cost	Children develop skills and knowledge which progress throughout school. Children develop confidence in their own abilities and their social skills; interacting with those they may not be familiar with. Opportunities for the whole school and its community to come together and celebrate success.
Year 6 children have a smooth transition to secondary school.	KS3 ex-pupils from the local secondary school help deliver sports day and host a rounders session, alongside a secondary school Q&A.	Y	Y				Y		No additional cost	Children have positive memories of the final year at primary and feel more confident in their transition.
There is an increase in the number of children at the end of key stage two who can swim up to 25 metres.	Only children in Year 5 and 6 that have currently not passed will attend 2 separate half term block sessions during the year to receive more targeted support for swimming. Following this we will target Year 3 and Year 4 children with block swimming lessons to ensure all children reach the expected standard by the end of Year 6.	Y				Y			No additional cost (school covers the cost of transport from our curriculum budget)	Children achieve end of year 6 expectations. There will be less children required to attend swimming lessons in future years so it does not impact other areas of the curriculum.
Encourage daily activity opportunities for 'Active 30:30'	Classes can alternate between virtual workouts (such as GoNoodle and Yoga) or completing the 'Daily mile' Train new Year 5/6 Playground Assistants.	Y	Y		Y		Y	Y	No additional cost	Resources are available for future years. Playground Assistants will be experienced as the children will remain the same throughout the year. This will enable to other children to build good relationships with the Playground Assistants, therefore engaging in active playtimes.
All PE units covered in the curriculum have enough resources so the lessons are delivered effectively.	Purchase new volleyballs, air flow balls and any other equipment for the new units of the new scheme.	Y	Y				Y	Y	£300	Equipment is available for future years.

All PE lessons are of a high quality standard where children are engaged and active. Planning shows progression throughout the school and regular assessment is used to identify those children not on track and those with a natural aptitude for sport.	Specialist sports coaches to lead 1 hour of the PE lesson where staff support and observe. Quality of teaching and learning in PE will be developed through weekly staff CPD. PE lead ensures long and medium term planning shows progression between year groups and within lessons. Teachers and TAs use new scheme of work to support with planning. Teachers assess pupils once a term to see whether they are on track to meet the end of year expectations.	Y	Y	Y	Y	Y	Y	Y	£7500	Children develop skills and knowledge which progress throughout school. Teachers are more confident in their delivery of teaching a range of sports. Children are more confident in applying their knowledge and skills in competitions. Resources are available for future years.
Children are exposed to a wide range of sports in the curriculum and through the extra-curricular provision.	Host quidditch day for the whole school. Train PE coach to deliver this as an afterschool club. Look for new free taster days to expose children to different sports where they can utilise these skills on the playground or activities from these days can be implemented in the PE curriculum. Implement new extra-curriculum offer.	Y	Y	Y	Y	Y	Y	Y	£1900	Upskilled PE coach to provide a broad and balance PE curriculum. Our afterschool provision has a wider variety for children to access. More opportunities are provided to spark children's interests and hobbies. Playtimes are more active. Teachers are confident in enhancing their PE lessons.
Wellbeing of children is highly prioritised.	Our school counsellor works with vulnerable and/or targeted children individually or in groups, supporting with their specific needs around wellbeing on a weekly basis.	Y		Y		Y	Y		£5000	Children are in the best possible mind set in order to thrive in their education.
									£17,900	

2023/24 Review | What is the evidenced impact of the above spend?
