***These objectives link to the Trust Comprehension Curriculum.**

This Reading Long Term Plan contains a variety of core texts and linked texts suitable for Year 4. The texts include rich, high-quality whole novels or extracts from these, picture books, poetry, songs and whole non-fiction texts or extracts from these. Class novels can be selected from the choice of texts available. The specified linked texts are options linked to the specific genres and can be adapted and added to suit the needs of the class or to link to other curriculum areas. There are also additional whole text options for our 'We Love to Read' time which are read to the children. The six core texts that link to our school values must be read over the course of the year. The options of fiction, non-fiction and poetry books can be selected from and added to by the teacher, including re-reading books from previous year groups that the children have enjoyed. Teachers may also select from these texts during our Friday Class Book Vote.
